# ONLINE JOB FREEDOM

An online job for everyone — vetted, no get-rich-quick noise. Real paths, real tools, and help finding what actually fits you.

- **31 online income paths** — ranked and explained, especially for beginners
- **Browse & save** — filter roles, follow links, and keep offers you like in one place
- **Market analysis** — charts and trends so you see the field before you commit
- **Your match + resume** — a short quiz points you at paths, with AI help polishing your profile
- **Built for trust** — we curate; you decide. No “pay to play” job lists.
