Live music *worth the trip.*

PMC is the first AI-powered app built for planning trips around live music. Discover artists matched to your taste, find shows in any city, and build complete itineraries with real budgets — all on your device.

CORE FEATURES

- D Artist Discovery**
AI surfaces artists you'll love live, matched to your taste.
- S Show Search**
Find concerts by city or vibe. Real venues & ticket links.
- P Trip Planner**
Full fly/drive/train itineraries with real venues & schedules.
- X Surprise Me**
Set distance, budget, genre. Builds a complete mystery trip.
- \$ Budget Calc**
Door-to-door costs with live pricing — every dollar.
- V Trip Vault**
Save tickets, hotels & routes. Export full itinerary in one tap.

“

The only app that handles the full journey — from finding the right show to knowing exactly what it'll cost to get there and back.

— Designed for serious music fans

HOW IT WORKS

- 01 Tell it your taste**
Describe your music. AI maps your vibe to live artists.
- 02 Find your show**
Browse concerts or spin Surprise Me for a mystery trip.
- 03 Build the trip**
Full itinerary, transport, and live cost breakdown.
- 04 Save and go**
Trip Vault. Export when you're ready to book.
