AGREEMENT-FIRST PROOF REPORTS

3 reports free • \$9.99 one-time Pro

FOR SMALL SERVICE BUSINESSES

More than before-and- after.

Turn the customer's request, before photos, after photos, and two approvals into one clean proof trail.

1

Agree first

Customer reviews the requested work and before photos, then signs before the job starts.

2

Prove the work

Add after photos and notes by area so the completed job is easy to understand.

3

Approve finish

Customer signs again after reviewing the completed work, then you share a polished PDF.

WHY IT HELPS

- ✓ **Scope is clearer.** Before photos are part of the signed request, not attached later.
- ✓ **Records stay organized.** Notes, photos, signatures, dates, and client info stay in one report.
- ✓ **Conversations stay factual.** A clean proof trail helps reduce confusion after the job.
- ✓ **Reports look professional.** Share a PDF instead of screenshots buried in text threads.
